

CHAIR-ITY FAIR

3rd Annual

Habitat for Humanity Of

Craven County

(May 19, 2012)

Thank you for joining on our 3rd annual Chair-ity Event. Last year it was a huge success and we know we will have a great time and will raise a lot of funds for our next build. The event will be held on Saturday, May 19th, at our ReStore, 930 Pollock Street. A daylong event will include a silent auction and a live auction of the chairs.

Here are a few tips to keep in mind when doing your chair.

- If you select an unfinished chair or plan on sanding your chair, apply a quality acrylic primer on the entire chair before applying your artwork. When you are finished, coat the entire chair with a crystal clear acrylic finish. This will ensure that the chair is functional.
- If you plan to stain the wood, please apply a quality acrylic stain and sealer. After decorating, coat the entire chair with crystal clear acrylic.
- Print your name on the underside of the chair. Also, we and the community would like to know the name of your chair, and the inspiration. If you could put that information on an index card, that would be wonderful, so that we could include more than a picture when we put them on our website and in area businesses.
- We are pleased to inform you that Chris and Shelley Mathiot of Art and Materials, located at 219 Middle Street, is offering 20% off of materials purchased to use on the chairs for Habitat.

Please return your finished chair by April 14. We plan on having a selection of chairs out in the public for prior viewing and in the ReStore. Something new this year we are hoping to have a sneak preview of all the chairs a week before the auction for special friends of Habitat.
